

Dear athletes,

Dear representatives of the national federations and the ICF !

One of Austria's most beautiful and picturesque rivers, the Mur River in Styria, will become for three days the centre of canoeing attention. The course between Ramingstein and Predlitz (classic) and in Murau (sprint) hosted the ICF Wildwater Worldcup in 1991 and sometimes Austrian and German championships. We proudly invite you to the ICF Wildwater Canoeing World Cup race we organize in cooperation with Murau, Ramingstein and Predlitz Municipalities between June 20th and 22th, 2015.

The beautiful clean nature and the green water will not be the only marker of the upcoming competition. We will do everything in our power to organize exciting, fair and most of all safe competitions which will present the wildwater canoeing to the world as the sport of nature, pure joy and sport of champions.

See you on river Mur in Styria !
